

Hot Tub Guide

Relax and restore in your very own secluded wood-fired hot tub, with stunning views over the Teign Estuary. Inspired by traditional Japanese Ofuro baths, it's designed for peaceful, off-grid soaking — perfect solo or with a loved one.

This is a nature-led, back-to-basics experience where warmth, stillness and simplicity take centre stage. There are no jets, filters, or LED lights — just calm, crackling firewood and the gentle rhythm of nature.

Choosing Your Soak Time

Please select one of the following time windows:

- Early soak: ready from 4pm
- Evening soak: ready from 7pm

Heating takes around 3 hours, so the earlier you let us know, the better we can time it. Temperatures typically reach 35–40°C.

Tips for comfort:

- Wood-fired tubs naturally build heat over time — there's no set temperature.
 - Check water temperature before entering.
 - Top up gently with small amounts of wood if needed.
 - Remove the lid for 30–60 mins to cool if the water is too hot.
 - Replace the lid when not in use to retain warmth.
 - Soak times of 20–30 minutes are recommended for safety.
-

Second Day Hot Tub

On your second day, we'll refresh and reheat the hot tub for another relaxing soak.

Book Direct & Stay Connected!

For the best rates and exclusive offers, book directly at www.threetreelodge.co.uk.
Follow us on [Facebook](#) and [Instagram](#) and tag us in your photos — we love seeing your memories!

- By default, your hot tub will be reheated and ready from **4pm** unless you request the later time.
- If you prefer the evening soak, just let us know.

Stays Longer Than 2 Nights

Your booking includes hot tub use for the first **2 nights** of your stay.

If you'd like the tub refreshed and reheated for any additional nights, this can be arranged for an extra **£25 per night**, subject to notice and availability. Please let us know as early as possible if you'd like to add extra soak nights and [CLICK HERE](#) to pay.

Firewood & Heating

- Firewood is provided for gentle top-ups only.
 - Guests cannot fully heat or reheat the tub from cold — we handle all heating for comfort and safety.
 - Extra firewood (£12 per mixed crate) is available via QR code in the lodge.
-

Hot Tub Safety & Etiquette

Before you soak:

- Shower and remove lotions, oils, or heavy makeup.
- Place the lid away from the tub (overspill drains safely).

During your soak:

- No soaps, oils, or bubbles.
- Avoid excessive alcohol.
- Use safe outdoor cups — no glass. You will find these in the box under the bed with the hot tub towels.

After your soak:

- Replace the lid to retain heat and keep water clean.

General:

- Take care entering and exiting — surfaces may be slippery.
 - Consult a doctor if pregnant or with medical concerns.
-

Enjoy this peaceful feature — one of the best ways to slow down, take in the scenery, and truly unwind. If you need anything at all, contact us on 07352 065800.
